For the October meeting Treasure Island Art Guild portrait artist, Jim Gigurtsis, will demonstrate portrait painting using a model selected by raffle from the audience attending the meeting. The raffle winner/model will become the proud owner of the finished piece

The demonstration will provide members with a few of the tips that Jim will be sharing in his 6 week 'Expressive Portrait Painting' workshop scheduled for later in October.

Also in October, Nan Colton will be doing another artist performance, this time of Berthe Morisot, French expressionist painter. Keep this in mind when selecting entries for the October show.

Congratulations to our September winners, listed in the order that ribbons would have been awarded
